Good Afternoon, Ladies and Gentlemen!

I wanted to close the loop and let everyone know my pack-out was completed this morning. All the guys from Univers Transit were **SPECTACULAR**. They were attentive, careful, and genuinely nice. They worked hard and completed the pack up in much less time that I expected. They are truly professional and I truly believe they are a great provider for the US Embassy – Tel Aviv.

Thanks again to everyone. I can honestly say, this was the best move I've had so far.... And no, Lior...It's not my first.

Have a great weekend, everyone!

Regards,
